# Preparing your application

Five useful checks before you submit an application.

## 01 Choose a programme

Compare the curriculum, study mode, campus and general entry route.

## 02 Check eligibility

Read the programme's specific requirements, including portfolios or interviews.

## 03 Gather documents

Prepare identification, qualifications, transcripts and any portfolio work.

## 04 Confirm the dates

Check How to apply for this year's dates and submission instructions.

## 05 Ask for guidance

The admissions team can help you clarify your route into study.
