CAMPUS LIFE / STUDENT SUPPORT

Student support in brief

Help with study, wellbeing and money, open to full-time and part-time students.

Study skills

One-to-one study help, plus writing and maths workshops.

Academic tutors

Every student has a tutor from the first semester who reviews progress regularly.

Careers and progression

CV and interview practice, further study talks and placement matching.

Personal counselling

Registered counsellors offer confidential support with stress, mental health or family matters.

Special educational needs

Study and assessment adjustments agreed with you, such as extra exam time or assistive technology.

Financial help

Apply to the institute's hardship fund or ask about government schemes.

The student services counter is staffed every day, and urgent cases are seen straight away.
